Minutes for February 26, 2008

Attendance: John Lane, Victor Terraglia, Frank Scola, Tony Spanneda, Bob Scully, and Mark Michalski.

Meeting was called to order by John Lane at 7:08pm.

Minutes of previous meeting were recorded.

The owner of 55 Westervelt was to attend the meeting but could not because that had some issues that still remain with the Council. The parking concerns have been addressed and he will attend the next EDC meeting.

Frank Cappola will meet this week with the Chamber of Commerce to discuss the Farmers Market and the responsibilities that will need to be addressed. He will report back at the next EDC meeting. The Chamber is looking for some

volunteers for the farmers market.

Merc has not received the proper paperwork for No Further Action requirement to move along with the project at the site. It is still moving ahead but needs some time to get paperwork straightened out.

John will be meeting with Dr. Stroehbeck to discuss his expansion plans this Friday.

There are some concerns about the stand still at the Burgio property. Victor sais he will call Mr. Burgio and see if he is still on target for the April completion.

Tony Spanneda report on some properties in town that need to be cleaned up and looked at by property maintenance and building officials.
