LANDSCAPERS for Leaf Season ONLY -- The use of the compost site is a privilege, not a right. The DEP has made the rules governing the use and maintenance of a compost site far stricter than it has been in the past. ***Downes Tree Service***, the current operator of our site, has the right to revoke the permit of any landscaper that does not adhere to these rules.
To use the site, you must agree to the following rules:

- Only leaves from the Borough of Hawthorne can be brought to the site. If the contractor feels you are abusing your permit, he can revoke it.
- There can be no debris in your material. Coffee cups, metal, and paper are all considered debris. You must bring in clean loads.
- You cannot dump your material if there is no staff on site.
- **Absolutely no grass**. The Borough can lose the use of the facility if grass is brought on site.
- You can only dump in the designated area. It will be clearly marked.
- You may dump from 7 a.m. until 3 p.m.
- You must provide an up-to-date accurate customer list, with address and phone numbers. Spot checks will be done.
