Items discussed:

- Spring Tree Planting – 68 Trees – begin the end of May, early June.
- There will still be a tree being planted at the High School celebrating Arbor Day this year. Downes Tree Service to let us know when this planting will take place.
- 200 daffodils bulbs were donated to Hawthorne Shade tree – Al Ianacone planted the bulbs in February/March timeframe at St. Anthony’s School and Al reported the flowers came up in April – looking very pretty around the school grounds.
- Our Arborist went thoroughly through our town getting a count of all trees within the Borough through a state Inventory Tree Program. The Inventory Tree Program will be updated as removals and plantings happen throughout the years.
