Public Hearing

Council President Matthews opened the meeting to the public, he stated if anyone desired to be heard regarding this Ordinance please join the meeting now.

Hearing none, Council President Matthews entertained a motion that the public hearing on this Ordinance be closed and that it be resolved that this ordinance was posted on the bulletin board on which public notices are customarily posted, published in The Record and made available on the borough website. Copies of said ordinance were made available to the general public. Now, therefore, be it resolved that this ordinance be adopted and the Clerk is authorized to advertise the same according to law, moved by Council Vice President Lane, seconded by Councilman Sciarra. On roll call, all voted yes, motion carried.

OLD BUSINESS

Councilman Wojtecki asked for an update on the PSE&G work on Lafayette Avenue. Administrator Maurer reported he was told the work was finished, but if there is more work to be done, he will follow-up with them. Councilman Wojtecki reported there are still some loose bricks and yellow tape around the area. Mayor Goldberg stated if the red bricks continue to deteriorate, they should consider replacing them with the stamped concrete. Council President Matthews stated PSE&G is bound to put back what they rip up, but that's not what they are doing.

Councilman Sciarra asked for an update on the Diamond Bridge Avenue closing. Mayor Goldberg reported he will cover that in his report but it will happen on Friday night.

Councilwoman Laiosa asked for a report from Administrator Maurer on the CARES Act funds departmental requests. Administrator Maurer stated most of the requests are in and once he gets all of them, he will give a report.

Council Vice President Lane asked Administrator Maurer to put the problem with the bricks on the agenda for the next public works committee meeting to expedite the work.

Council President Matthews asked Administrator Maurer for an update on the street light at Cornell & Victor and if the DPW is still scheduled to go back and reassess the drywell. He reported he will get a timeframe from PSE&G and confirmed the DPW will be checking the drywell with Boswell Engineering.

NEW BUSINESS

Councilman Sciarra asked Administrator Maurer about the status of a resident having issues with potholes and paving on Emeline Drive. Administrator Maurer stated he will get him an update tomorrow and get the potholes repaired and noted Emeline Drive is tentatively on next year's road repaving schedule.

Councilman Wojtecki asked for an update on the bump at Lafayette Hills. Administrator Maurer stated he was informed by Director Scully that the paving was done yesterday. He asked for an update on the status of the Brookside Avenue house, Administrator Maurer stated he asked for property maintenance to stay on top of it and that the construction official is involved as well. Council Vice President Lane asked where the building department stood on the issue, Administrator Maurer stated according to them, it should be torn down, the structure has been condemned. The owner has been provided the opportunity to make the repairs. Council Vice President Lane asked when the owner was provided with the opportunity to make the repairs, Attorney Pasquale stated it was in late fall, early winter. Council Vice President Lane noted the next step would be superior court. He asked for the status on the catch basins on Elberon, Franklin and Maitland Avenues, Administrator Maurer reported it has been referred to Public Works and he will follow up.

ADMINISTRATIVE AGENDA PRESENTED BY MAYOR GOLDBERG

Mayor Goldberg thanked the Fire Department for doing a great job and is very proud as always. He thanked residents for crushing the COVID 19 curve. The masks and social distancing are working with a town of

over 18,000 people and only 5 active cases. On Monday, June 22, the County is offering free COVID testing, this is a saliva test. The first hour from 9am until 10am is for first responders and healthcare workers; the public is encouraged to come between 10am and 3pm. The County is also distributing food boxes to those in need affected by COVID-19 in the pool parking lot on Wednesday, July 1 from 12:30 pm until 2:30 pm. You must show proof of residency in Passaic County. The William Paterson testing sight has been closed. Work is ongoing for the final plans to open the municipal pool with a tentative opening date of July 2nd, August 1st rates will be in place due to the delay in opening. The Municipal Building will hopefully be open to the public after the July 4th holiday. Anyone entering the building will be restricted at any one time, temperatures will be taken as they enter the building. Each year the New Jersey State League of Municipalities offers the Louis Bay 2nd Future Municipal Leaders Scholarship Competition. This year Alexandra Clavijo was a semi-finalist and Steven Makino a participant in the scholarship competition on behalf of Mayor Bay. The Governor has allowed garage sales to resume, residents are required to apply for a permit to hold a garage sale, the fee is being waived for the rest of the year but you can only have two sales in a calendar year. The Great American Garage Sale has been canceled but will be held next year, along with Hawthorne Day. It was felt that it wouldn't be right to ask business owners to sponsor the event this year, and thought it irresponsible to have a large crowd of people in one place at one time for the day. Hawthorne Day fireworks will hopefully be moved to National Night Out, assuming that the event happens in October. Diamond Bridge Avenue will be closed on Friday at 5:00pm until 10:00pm on Saturday through the end of September for summer outdoor dining. Council President Matthews asked Mayor Goldberg how the street will be blocked off, he reported there will be barricades filled with water along with barrels across the roadway. June is Gay Pride Month, and with the formation of a new committee chaired by Mike Stracco called the Hawthorne Pride Alliance, they will be soliciting members for the Committee in the next few weeks. If you have a desire to serve, please contact the Mayor's assistant Ellen at 973-427-1168. The Committee is designed to create both programming and discussion for Hawthorne residents and the community. The flag will remain displayed in the window as it is.

REPORTS

Borough Attorney Michael Pasquale

Attorney Pasquale began by noting that this past week, the United States Supreme Court, in a 6-3 decision, ruled for the first time that terminating a person from his or her employment because of sexual orientation was unlawful. He commented that it was hard to believe this ruling needed to be made in 2020, and harder still to believe that three Justices dissented. He congratulated the Mayor on forming a committee to look at issues affecting the LGBTQ population.

Affordable Housing – Attorney Pasquale advised the Planning Board has approved the settlement with 3 Ronson, the final piece of the Borough's Affordable Housing obligation, last evening. He advised that the next step was a virtual Fairness Hearing on July 7, 2020 at 10 a.m. before Judge Brogan of the Passaic County Superior Court. Copies of the notice and all settlement agreements were posted on the Borough website and information regarding the hearing can be obtained from Attorney Pasquale or from the Borough Clerk. This settles the entire affordable housing obligation until 2025.

Bandshell – The Bandshell Committee is making plans to present two to three concerts and two movies in the later part of the summer along with taking part in National Night Out in October with a band to be presented. Details to follow.

Borough Engineer Representative Peter Ten Kate

Goffle Hill Water Storage Tank LSRP Services – The final report will be completed.

Mary Street Water Storage Tank LSRP Services – A final recommendation for payment was forwarded to the contractor.

2019 NJDOT Municipal Aid Application – Arlington Avenue, Phase 2, and Alexandria Avenue – Plans have been submitted to the DOT and are waiting for final comments.

2019 Road Improvement Program – Project has been closed out, final change orders are prepared and they are waiting for maintenance bonds to be posted.

2020 Road Improvement Program – A preconstruction meeting will be set up in order to get the project going.

2020 NJDOT Municipal Aid Application – Parmelee Avenue – Plans will be submitted next week. The bid amount was lower than the grant.

Hawthorne Library Lighting Improvements – The green application was submitted along with the drawings and fine tuning the bid specifications in order to send the project out to bid in July.

2021 NJDOT Municipal Aid Application – The draft is near completion, the deadline is July 1st but it should be out no later than next Friday.

Borough Clerk Fernandez

Clerk Fernandez reported the Primary Election is July 7th, June 16th was the last day for new voter registrations to be handed in, those of which were driven down to the Superintendent of Elections office in Paterson. All information is on the Borough and County website including information for the candidates interested in running for Ward 3 Council seat taking place at the General Election on November 3rd. Instructions on how to file petitions is on the website, a Republican and Democrat candidate have been nominated and will appear on the ballot in November. Petitions get turned into the County Clerk, Danielle Ireland-Imhof and can be submitted electronically. Approximately 200,000 ballots for the July 7th Primary Election have been mailed out to registered Republicans and Democrats. New voter registrations that were received will get a ballot depending on their affiliation. If you registered as unaffiliated, you will get an application to fill out and return as soon as possible, for a mail-in ballot. Mail-in ballots will have a self-addressed stamped envelope and must be postmarked by July 7th. Roosevelt Elementary School will be the only polling location that will be open on Election Day and will be primarily for ADA accessible voters. Only provisional ballots will be accepted at this polling location, no mail-in ballots will be accepted. The mail-in ballot you received is based on the party you declared in the last primary you voted in.

Mayor Goldberg reminded everyone we are in the middle of a census, if you haven't filled out your census, please do so, the funding the Borough receives depends on the census numbers.

Borough Administrator Eric Maurer

Administrator Maurer reported the Borough received \$1 million from the CARES grant that was distributed to counties and municipalities within the counties and was based on population. Plans for opening the municipal building and pool are under way with physical changes, screening and new policies in place. Registration will be held several days prior to the opening of the pool, more information to follow. Due to a redesign, the cost of the 2nd floor renovations was reduced, so there will be no need for a council resolution. The Borough received delivery of the laptops today for employees, Council and board members to be able to work remotely.

Questions for the Administration

Councilman Wojtecki asked Administrator Maurer if the approval for the purchase of the sanitizing light will happen before the building opens. Administrator Maurer reported he had a conversation with the rep from the company and she thought there might be some difficulty in operating it. Administrator Maurer stated he would discuss it with him after the meeting. He asked Council Vice President Lane if Tyco could have a sign in sheet when they visit the fields to chase the geese as he has not seen Tyco there. He stated he will bring it up at the next Board of Health meeting but in the meantime will give Carol, Health Dept., a call and ask her to put that into effect. Administrator Maurer stated their contract has them coming twice a day and they have a sign in at the recycling center.

Councilman Mele asked Clerk Fernandez if you have to put the mail-in ballot back in the large envelope as there are two envelopes. She confirmed yes two envelopes, one for the ballot then place that envelope in the larger "outer" envelope – which is stamped and addressed to the County Clerk.

Council Vice President Lane asked Borough Engineer Representative Pete Ten Kate if all of the residents for the 2020 Road Program have been contacted about their sidewalks. He stated he would have to follow up with him on that. He asked him if the State Library Commission has approved their design for the lighting in the library. He stated they have not and that it takes a while for the state to get back to them.

Councilwoman Laiosa thanked the Mayor, Administration, Gene DeAugustines and Hawthorne police for working with all the local restaurants who are having outdoor dining.

Council President Matthews made a motion to record the Administrative Agenda, motion by Councilman Wojtecki, seconded by Council Vice President Lane. Carried on voice vote.

INTRODUCTION OF ORDINANCES None.

RESOLUTIONS

CONSENT AGENDA: R 85-20 to R 86-20

R 85-20 Introduced by Councilman Sciarra

WHEREAS, there is a need to establish a change fund in connection with the selling of badges for the Municipal Pool.

NOW THEREFORE BE IT RESOLVED, by the Municipal Council of the Borough of Hawthorne that the Treasurer be and is hereby authorized to draw a check against the Current Fund as follows:

Robert Berger \$150.00

BE IT FURTHER RESOLVED, that the change fund so established is to be turned over to the Treasurer immediately following the termination of duties in this connection.

R 86-20 Introduced by Councilman Sciarra

WHEREAS, the Borough of Hawthorne solicited bids for the 2020 State Funded Local Aid Project, Parmelee Avenue, all in accordance with plans and specifications prepared by its Municipal Engineer, and received and opened such bids on June 10, 2020; and

WHEREAS, the bid solicitation consisted of a base bid for milling, paving and curb replacement, as well as spot sidewalk repair and drainage improvements, installation of ADA compliant curb ramps, and replacement and installation of sidewalks and driveway aprons, all at various identified locations, with a portion of the latter aspect of the project to be assessed to property owners; and

WHEREAS, five bids were received, with an apparent low bid of \$401,692 for the Local Aid Portion and \$83,480 for the portion to be assessed in part to residents, submitted by Cifelli & Son, Inc., for a total of \$485,172; and

WHEREAS, the bids were reviewed by the Borough Attorney, who found that the bids of all bidders were responsive to the bid solicitation and compliant with the Local Public Contracts Law; and

WHEREAS, the Administration, in consultation with the Borough Engineer, has determined to award a contract for the project as the same is within the estimate for the project and funding available and the Borough has a positive work history with this vendor on similar projects; and

WHEREAS, the Chief Financial Officer has certified availability of funds pursuant to Bond Ordinance 2245-20 as to \$401,692 and Bond Ordinance 2246-20 as to \$83,480 so as to allow for the award of contract in total certified amount of \$485,172.

NOW, THEREFORE, BE IT RESOLVED, by the Municipal Council of the Borough of Hawthorne, that it does award a contract to:

Cifelli & Son, Inc., Nutley, New Jersey 07110

in accordance with its bid, incorporated herein by reference, at a price of \$485,172 and does authorize the Mayor and the Clerk to execute and deliver a contract to the said entity upon approval as to form by the Borough Attorney.

CERTIFICATION OF AVAILABILITY OF FUNDS

As required by NJSA 40A:4-57, NJAC 5:30-14.5 and any other applicable requirement of law, I Laurie Foley, Chief Financial Officer of the Borough of Hawthorne, have determined that there are available, sufficient funds, not committed to any other purpose, provided by Bond Ordinance 2245-20 as to \$401,692 and Bond Ordinance 2246-20 as to \$83,480 so as to allow for the award of contract in total certified amount of \$485,172 to Cifelli & Son, Inc., for the 2020 Local Aid Project and Local Assessment portion thereof.

Council President Matthews entertained a motion to approve consent agenda resolutions R 85-20 through R 86-20, moved by Councilman Sciarra, seconded by Councilman Bennett. On roll call, all voted yes, motion carried.

REPORTS OF SPECIAL COUNCIL COMMITTEES

Councilman Sciarra reported there will be a virtual Library meeting on June 8th at 4:00pm and the Board of Education will be meeting on June 23rd. This past weekend he went to local businesses that are going to be opening for the second phase handing out packets which included a letter from the Mayor with guidelines, information for the Borough website, resources for getting PPE, state, county and local information, including a pamphlet from the Chamber of Commerce.

Councilwoman Laiosa reported the Hawthorne Environmental Commission and Green Team started up their meetings in May. They have had green lectures about Lyme Disease and have two upcoming lectures next Tuesday on Container Gardening for Everyone with a Green Team Challenge to create a container garden that will start on June 23rd. They are asking residents to take photos of it and to send it to the Commission's Gmail account. There will be a virtual Hawthorne Bird Walk on June 30th. In July they will be launching a poster contest called "Why I Love Hawthorne", it's open to everyone and the contest will be held on Facebook. The Hawthorne Bee is canceled for July but in place of that will be "How I Supported Hawthorne".

Council Vice President Lane reported the Cable TV and Social Media Committee has a meeting tomorrow night, proposals were submitted for a new sound and recording system and are hoping to award for that project at our next council meeting. The Ordinance Committee met Monday night to review proposals by Sergeant Geier of the police department along with Attorney Pasquale, pertaining to truck traffic on Utter Avenue and the numbered streets in that area. Truck traffic was also discussed, and with the Mayor's approval, they are trying to set up a meeting with the businesses in that area so there can be a one on one discussion.

Council President Matthews reported the Planning Board met for the first time since the start of COVID-19 to discuss and approve the settlement with the Fair Housing elements and 3 Ronson project. The Farmer's

Market will open on June 28th from 10am to 1:30pm, there will be separate entrances and exits at both ends of the parking lot. Social distancing will be in place as per requirements, residents who are visiting the market are asked to wear face coverings. Special events will be put on hold for now.

Craig Cayetano, 59 Pasadena Place, Hawthorne, NJ

Mr. Cayetano thanked Mayor Goldberg, Chief McAuliffe and the Council members who marched in solidarity for Black Lives Matter. He reported there was an incident on Mac Farlan Avenue and hopes the community realizes there are some things that need to be worked on. He is happy to have the formation of the Pride Committee and would like the Mayor to consider flying the Pride flag for the month of June. He likes the idea of Diamond Bridge Avenue being closed for outdoor dining and asked Mayor Goldberg if he can contact the County to extend the closing through Sunday. Mayor Goldberg stated it has been discussed and one of the issues is St. Anthony's having church on Sunday. He believes the County would consider it, they will see how the first few weeks goes. Mr. Cayetano asked the Mayor if he could give him a percentage of residents who have not filled out their census forms and maybe send out a Nixle alert. Mayor Goldberg stated he will get back to him with a number. Council President Matthews asked Administrator Maurer to get that number for him. Mr. Cayetano suggested moving the pool to sessions, maybe a morning session, mid afternoon and evening session. Administrator Maurer stated they have considered it, but looking at the numbers from last year, they don't believe they need to do that in order to still have enough space to socially distance.

Council President Matthews asked Mayor Goldberg to discuss the flagpole issue, Mayor Goldberg stated there is nothing for him to address at the moment, the Chairman of the Committee is happy with the placement of the flag, if something develops within the year as the committee meets, it will be dealt with. The flag will be displayed through June.

Mike Stracco thanked the Mayor and Council and looks forward to working with them.

Hearing none, Council President Matthews entertained a motion to close public comment, moved by Councilman Wojtecki, seconded by Councilman Lane. Carried on voice vote.
