

ANTI IDLING

NEW JERSEY STATE LAW

Everyone is encouraged to limit their vehicle's idling time to 3 minutes or less.

Restricted idling times lessen pollution, costs for gasoline is saved & lives also are saved. Pollution kills more people in NJ than homicides & car accidents combined.

Idling just plains stinks! Fines start at no less than \$250.00 & no more than \$1,000.00 per vehicle per day.

Adhering to this law is just one small step in battling global warming.

Please report any violations to the Hawthorne police department.
