Meeting of April 5, 2016

Persons present: Dria Lobosco, Paul Giardino, Tom Dwyer, and Al Ianacone.

Meeting began at 4:30 PM.

Adequate public notice of this meeting was provided.

The following items were discussed.

1. Minutes: The minutes of the past meeting were approved unanimously.

2. Celeearthbration: Paul will remind Rick to bring the raffle tree to the event which is scheduled for this Saturday, from 10 AM until 2 PM at Hawthorne High School. We will not be distributing tree seedlings but we will have a table with pamphlets and pens and members available to answer questions.

3. Secretary: Paul stated that there are two candidates being interviewed, and that he is excusing himself from the interviewing process.

4. Tree Evaluations: Paul mentioned that he will be in contact with Rick to see if he was able to evaluate the trees regarding the proposed road work by the Boswell Engineering Company.

5. Five Year Municipal Tree Plan Up-date: Paul is in contact with Steve Schuckman regarding this work to be completed by the end of this year.

6. CSIP Grant Application: Al reported that he completed this application and that Lori is preparing it for submission prior to April 12th. After speaking with Steve Schuckman and because of his recommendation, we are asking for \$12,500 to plant 50 tree saplings throughout Hawthorne.

7. Arbor Day: Al reported that he prepared a flyer and a press release to advertise the free tree give-away at the library. Once again Lori helped out with this effort which will also include the town web site, etc. Also, Dria is coordinating efforts to distribute seedlings to all the elementary school children on Arbor Day. Tom will be assisting Al to pick up the 1,500 seedlings on April 22nd and then distributing them to the schools on April 28th.

Respectfully submitted by:

Al Ianacone
