VISION STATEMENT

Hawthorne is committed to protecting our natural resources while meeting the needs of the present generation without compromising those of future generations.

Sustainability means:

- Protecting our open spaces, and conserving our natural resources with waste reduction and recycling
- Promoting environmental education, and energy efficiency to residents and businesses alike
- Considering environmental, economic, and social impacts to future development
- Improving community health and quality of life for every citizen

Next Meeting: November 22, 2010 at the Hawthorne Library
