RE: 2017 Road Improvement Program/Tree Removal on Elberon Avenue

Dear Residents:

The Borough's contractor *4 Clean-Up Inc.* has hired Downes Tree Service to prune and remove trees as part of the 2017 Road Improvement Program.

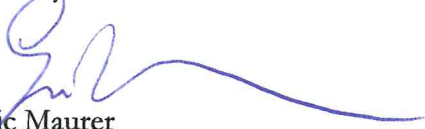

Tree removal (mostly on the dead-end side of Elberon) will start tomorrow, Thursday June 29th, and continue through Saturday the 1st of July. The dead-end side of Elberon will be temporarily closed between 7am – 4pm while tree work is being done.

The determination as to which trees would be removed was made by the engineer in consultation with the Hawthorne Shade Tree arborist. The trees selected would be compromised and unsafe upon doing the curbs, sidewalks, and road, and therefore are being removed. In some cases, the trees are in poor health.

Please move your vehicles before 7am so that the work can progress smoothly and safely.

If you have any questions regarding the Road Improvement Program, please call Alex Bushong of Boswell Engineering at 201-681-5594.

Thank you.

Eric Maurer
Borough Administrator
