Letter from Mayor Lane

7-8-2022

Dear Resident,

The 2022 Road Program for the sidewalks and paving of our streets will start on Monday, July 11. The program will start around Lincoln Middle School. In the southern end of town, PSE&G has completed most of the gas line work there.

Country comes to town this Thursday with *North O'Nashville* taking the stage at the Boro Bandshell. The grounds open at 6pm, and the event begins at 7pm. Please bring your own chairs and blankets and enjoy the show.

The Hawthorne Chamber of Commerce Farmers' Market is held every Sunday through October at the library parking lot; stop by and see all that the market has to offer.

The "Name the Park" contest has ended, and the Committee will be meeting in the next week or so to go over the submissions. When the idea of "Name the Park" was presented to me, I thought it was a good idea and agreed that it would be a great way to identify the complex which includes not only the Hawthorne Memorial Pool (which will retain its name), but also the Boro Bandshell, the Tennis Courts, the new Playground, Little Franklin Field, and the open park space which we hope our residents will utilize as a smaller park area. Thank you to everyone who participated.

While taxes are due on August 1, the tax bills will be delayed once again, as we are waiting for the tax rate from the County. The delay actually results from the State being delayed in certifying the budget tax levy. There will be a grace period of at least 25 days after the mailing of the bills; I will keep you posted of the anticipated date you will receive your tax bill in my weekly letters.

Enjoy your weekend.

Sincerely,

Mayor John V. Lane
